

Performance and Keyboard Audition MAP Procedures:

- Students will record their performance and keyboard auditions.
- Students will record their keyboard skills from their applicable level.
- Teachers will inform their students which keyboard skills are required for their applicable level.
- Teachers will review the recording before sending to MAP Chairperson.
- Level 1-4, music is not required for the judge.
- Level 5 and up, music is required for the judge. Teachers will send music to MAP Chairperson.
- The student should state their name and MAP level in the recording.
- When recording, make sure that the instrument, the hand, and the face of the student can all be seen clearly.
- Make sure your video is horizontal.
- DO NOT SUBMIT VERTICAL VIDEO RECORDING.
- When video recording, turn on the recording device a few seconds before starting your piece; after finishing, wait a few seconds before turning it off.
- All recordings must be submitted to MAP Chairperson by midnight on May 2nd (MAP Day).
